

-SUMMER DAY CAMP TIPS FOR PARENTS 2018-

Dear Parent/Guardian

Thank you for choosing Kids Klub for your summer camp needs. After much planning and preparation, we are looking forward to getting summer camp underway. For your convenience, we have put together this list of tips and suggestions designed to help your child's summer camp experience to be as fun and enjoyable as possible. Please pay special attention to information regarding field trip days, as this will help you and your child prepare.

Everyday:

We would strongly encourage you to apply sunscreen each morning before arriving at camp. Your child may bring sunscreen to camp **as long as their first and last names are on the bottle, and you have signed the sunscreen permission slip allowing Kids Klub staff to assist in applying sun block if requested.** Please encourage your child to dress appropriately for weather and temperatures. Something cool and loose should be fine for most days, but should provide adequate coverage. We recommend sneakers or tennis shoes as flip flops will not protect the feet or toes during active play.

Lunch & Snacks:

The AZ Summer Food Program will be offering breakfast and lunch everyday.

Breakfast will be served between 7:00am-9:00am

Lunch will be served between 11:00am-12:30pm-depending on field trips

Kids Klub will offer a PM snack at 3:00pm.

If you do not wish to participate in the free summer lunch program, your child must bring a healthy sack lunch from home daily, labeled with his/her name. Many children who attend our camps live with life threatening allergies to nuts and nut products. You can help us keep them safe by not sending items that contain, or may contain nuts or nut oil.

On-Site Days:

Activities for on-site days include summer-themed arts and crafts, indoor organized sports, open activity centers, indoor gym, small group games, movies, special treats, and more!

Field Trip Days:

We will be going on 3 field trips or special attraction days per week. Please refer the Activities Calendar for the scheduled destinations and departure times. **Please arrive at least 30 minutes prior to departure time to ensure that you have checked in and signed all the required documents/permission slips for that day's field trip. It is also important to arrive early in order to ensure that your child(ren) are placed in their correct groups and given a wristband.** In order to participate in the field trips, you will need to enter your child's name and your signature onto the appropriate permission forms. Extra spending money is optional. Socks will be required for some field trips, so watch for reminders to be posted at the site.

Swim Days:

Our swim trips are scheduled Wednesday of each week. If participating, **your child will need a swimsuit, a change of clothes, and a towel (Please write child's name on towel tag).** Water shoes are optional. **Please apply sunscreen before coming to camp. Sunscreen may be brought to camp to re-apply as long as the child's name is written on the bottle, and you have signed the sunscreen permission slip allowing Kids Klub staff to assist in applying sun block if requested.** We will store the bottles before and after the trip.

Movie Days: Children will be transported to Harkins – at Arizona Mills on their movie days. A “Kids Snack Pack”, which includes popcorn and a drink and gummy candies, can be purchased for \$5.50. No additional spending money is necessary.

Water Days:

There may be water-fun days periodically throughout the weeks of summer camp. The site will post the chosen days and your child will need a towel and a change of clothes or swimsuit to participate.

Money

Admissions for all field trips are paid for by Kids Klub. Children will not need money. If you wish to send money with your child. It will be their responsibility to hold on to it and to manage it. We suggest you dress them in clothes with pockets to keep their money safe. Kids Klub will not be responsible for misplaced, lost or stolen money.
