Welcome

The Kids Klub Program offers carefully planned, well-supervised activities for children in grades kindergarten through sixth grade. The many opportunities offered through the program are designed to interest your child and to foster his/her emotional well-being and social, physical, and critical thinking skills. Our staff consists of trained professionals who plan and guide unique activities to help the children in this program expand their knowledge and experiences, and to participate in a wide variety of hands-on or discovery type activities. Typical activities consist of group games, team sports, hands-on science activities, arts and crafts, music, drama, plus many other activities from which your child may choose. Each day includes quiet time for homework assistance and encouragement, plus a nutritious snack. The Kids Klub Program is a licensed program of the Laveen Elementary School District. The program is supported solely by fees collected from registered participants.

Laveen Elementary School District Vision

Neighborhood schools setting the standard for excellence in education using the tools of today to reach the goals of tomorrow.

Laveen Elementary School District Mission Statement

The mission of Laveen Elementary School District, with the support of parents and community, is to develop in our children the knowledge and skills to achieve academic excellence, personal growth, and success in a safe, positive environment.

Children will have the opportunity to enjoy a day full of camp experiences when school is not in session. The program will offer arts and crafts, fitness, cooperative games, and other hands-on activities. Day Camp hours are 6:00 a.m. to 6:00 p.m. Campers must pre-register at least two business days in advance for each camp. For more information call the Kids Klub Office at (602) 304-2020 ext. 3619 or 602-237-7058.

Kids Klub Summer Day Camp Program Description

Kids Klub Day Camps are offered for school age children. The Camp will be held at Desert Meadows School. It will open May 25 through August 1, (end date pending due to school resumes date). The theme-based curriculum is designed to provide the children with the opportunity to participate in social, creative, intellectual, and physical activities and will also include field trips (see page 10 for field trip information). This is a full day program with hours of operation from 6:00 a.m. through 6:00 p.m., Monday through Friday.

Preschool Program Description

Preschool is an early childhood program in which children combine learning with play in a program run by certified teachers. The classroom will emphasize on the following:

1. Opportunities to learn persistence when working at tasks, direction following, and good listening skills.
2. Focus on language and literacy skills, as well as interactive book reading.
3. Emphasis on teaching children problem-solving skills.
4. Helping children expand their knowledge and increase their vocabulary.
5. Opportunities to learn beginning skills involving the alphabet, numbers, and spatial awareness.

6. Focus on scientific thinking skills as well as information about the everyday environment, the world, and how things work.
7. Emphasis on teaching early literacy and mathematics through a variety of activities and projects.
8. Opportunity for preschoolers to engage in music, art, and dramatic play.
9. Educational program in which parents are involved and have opportunities to watch and take part in classroom activities.

In the Dual language Immersion Program the students will received instruction in two languages. The preschool will follow a 50/50 model in which participating students spend half of their day in a classroom where teaching and learning are done in English, while the other half of the day is done in Spanish.

Operating year round, these programs are offered Monday through Friday between 6:30am and 6:00pm, and provide preschool lessons between the hours of 7:30-2:30. Preschool programs are designed to provide developmentally appropriate social, educational, and physical experiences that enhance the child as a whole. Guest speakers and participation in local activities are used to broaden children's understanding of their community.

The preschool program is open to children that are four and five years old. Three years olds may be accepted depending on available space.

Children must be toilet-trained to attend these programs. If the staff feels the child is not fully toilet trained the parent will be asked to withdrawal from the program. *Toilet trained is defined by number of accidents and the ability to change their own clothes.*

Curriculum:

The preschool program is academics- based, and will align to with Laveen school district curriculum. The curriculum builds a strong foundation for early literacy and provides developmentally appropriate instruction for early learners, ages 3 to 5, including cross-curricular activities, focus on social-emotional development and preparation for kindergarten and beyond. A Certified teacher will lead the instructional lessons.

Dress

Children should arrive for the day in their school uniforms. Play can be messy so please provide a complete set of clothes (shirt, shorts/pants, socks and underwear) for emergencies as required by licensing. The program reserves the right to contact the parent for pick up if the child requires an extra change of clothes and does not have one on site. To protect the children's feet during play both inside and outside, children must wear shoes that cover both toe and heel, i.e. athletic shoes.

Parent Participation and Communication

We know it is important to your peace of mind to have regular information about your child's experiences. As well, your participation and input are valuable to your child and programs. This is not always possible in the rush of the morning drop offs and evening pickups. Our programs offer the following opportunities to ensure communication and information between parents and staff

Evaluations – Periodically parents will be requested to fill out a program form. Suggestions are welcome at anytime.

Parent/ Teacher Meeting – Are offered on an annual basis and at your request.

Parent Visits – The Laveen district preschool childcare program has an open door policy for all parents or guardians who may want to visit the program their child is enrolled in during hours of operation. We hope you take the opportunity to talk to the site manager, teacher and counselors about your child's daily activity. If you would like to share a particular talent, have access to needed supplies or resources or have suggestions, please share with the site manager, teacher or counselors.

Parent Orientation – a careful review of the Parent Handbook will provide a good overview of the Laveen Kids Klub childcare/preschool. The parent bulletin board will further provide a good overview of the classrooms, staff, and activities. A parent may visit the school, request a conference, or call the director. The Kids Klub coordinator can answer any questions if the site director is unable to.

Enrollment Procedures

Children will be admitted to the Kids Klub Program only after the registration process has been fully completed. Please note that registration must be completed in person by the parent/guardian at the school site office or Kids Klub office. The registration packet **MUST** include the following:

- Registration form with the registration fee (due annually)
- The Arizona Department of Health Services Emergency, Information, and Immunization Record Card (State regulations require every section of this form be completed.)
- A photo copy of child's immunization record
- Individual Education Plan (if applicable)
- Payment plan
- Parents with custody must provide a copy of the court papers

The staff will review the registration information and accept only completed registration packets. Parents/guardians must update registration information whenever any changes occur or a minimum of one time a year. Enrollment is available on a first come, first serve basis.

Enrollment is contingent on the child's ability to participate in the current program offered by the Laveen Elementary School District without undue burden on the program or undue risk to the children and staff involved. One-on-one supervision is not offered within the Kids Klub

Program. All children must be in attendances the same day of school as attending the aftercare program.

Preschool enrollment Procedures

Preschooler will be admitted to the Program only after the registration process has been fully completed. Please note that registration must be completed in person by the parent/guardian at the Kids Klub office. The registration packet **MUST** include the following:

Drop In Payment:

A \$20.00 minimum use fee will be applied to each account on the first Monday of each month. When the child uses a drop in day this fee will be removed for that month, and the drop in charge will be applied to the account. Any drop in accounts with a balance will forfeit their space. Payments are due 24 hours prior to service.

Late Payment:

A \$10.00 late fee will be assessed to all payments not received by the payment due date. Kids Klub reserves the right to stop service for non-payment.

Returned Checks:

Returned checks will be charged a service fee of \$15.00. *Returned checks or delinquent tuition payment may be grounds for withdrawal from the program.*

Late Pick-Up Fee:

A late charge of \$1.00 per minute, will be charged after 6:00 p.m. Hours of operation are clearly stated in the “Hours of Operation” section of this document. The late fee must be paid by check or money order at the time of pick up or at the Kids Klub Office, located at Desert Meadows School prior to your child attending another day of the

child care program. Three late pick-ups may result in the termination of your child care services.

Accounts on Hold:

Accounts cannot be placed on hold.

Refunds:

Your fees pay for direct operating costs, staff, snacks, materials, etc., which are all available to your child. When you enroll you are reserving time, space, staffing, and provision for your child whether he/she attends or not. Therefore, the coordinator will review the requests for refunds on a case by case basis. Requests must be in writing and clearly state the reason for the refund, the name of your child, the site where the child attends, and a phone number and mailing address where the Kids Klub Supervisor's response can be made. Refunds on student withdrawals will be processed 30 days after the child's last day of enrollment in the program. Refunds will be made only within six months from date of program withdrawal.

Courtesy Statements:

A weekly statement will be made available to you each week and will reflect your current account balance. Please keep in mind that account balances must be paid in full prior to service, regardless of whether or not this statement was received.

For all billing questions please call the Kids Klub office at 602-304-2020 ext. 3619, or 602-237-7058. DES clients must register in the Kids Klub office and fill out an additional forms.

Parent Responsibilities

One of the most important responsibilities of parents is effective communication with Kids Klub Program staff. Good communication is crucial in order for our staff to provide an exceptional child care experience for you and your child.

- Parents are required to send a non-perishable sack lunch that meets nutritional standards with their child on Camp Days (see guidelines on page 9).
- Parents of children with special needs must provide copies of existing individualized plans (IEP) or written instructions for providing services until a written individualized plan can be developed.
- Parents with sole custody must provide a copy of the sole custody papers to the Kids Klub office.
- Parents have access to areas on facility premises where the enrolled child is receiving services.
- Parents are encouraged to apply sun block before arriving at Day Camp and send sun block with your child's first and last name on it.

Requirements for Signing Children In and Out

For your child's safety, we require a parent/guardian or pre-authorized party to complete each child's sign-in and sign-out sheet on a daily basis at the site. The authorized party must sign their first initial and full last name, in black ink, along with the date and time on the sign in and sign out sheet.

ALL PERSONS SIGNING A CHILD OUT WILL BE REQUIRED TO SHOW PROOF OF IDENTIFICATION AS REQUESTED BY THE STAFF. A picture and signature I.D., such as a driver's license, will be required as proof of identity. A child enrolled in the Kids Klub Program will be released **ONLY** to those persons specifically authorized on the child's Arizona Department of Health Services Emergency, Information, and Immunization Record Card. **NO EXCEPTIONS WILL BE MADE WITHOUT ADVANCED WRITTEN PERMISSION BY THE PARENT.** Parents/guardians may remove authorized persons from their Arizona Department of Health Services Emergency, Information, and Immunization Record Card by providing the Kids Klub Program Coordinator with written notification. The Kids Klub Program may not remove lawful parents or legal guardians from the Arizona Department of Health Services Emergency, Information, and Immunization Record Card, unless provided with court orders to do so.

DES families must follow all DES rules regarding the attendance sheets. Do not scratch out or write over the times or signatures. If an error is made an initial must be place near the error. If these rules are not followed DES will not pay for that day of serve and this cost will be passed on the the guardian at the fee of a drop in child.

Absences and Vacations

Please contact the Kids Klub office no later than 10:00 a.m. when your child will be absent from the extended day program. Your tuition pays for direct operating costs, (such as staff, snacks, materials, etc.) which are available to your child each day they are enrolled. There are no deductions of fees for absences or vacations. *Failure to report absences may result in dismissal from the program.* All children must be in attendances the same day of school as attending the aftercare program. **Accounts cannot be placed on hold.**

Behavioral Guidance Policy:

Because social growth is so crucial during the elementary years, Kids Klub Program will also focus on helping children learn appropriate behavior. Behavioral guidelines are established with the goal of not only maintaining the physical and emotional well-being of each student, but also teaching self-discipline, judgment, and manners. Positive disciplinary methods are used to enforce these guidelines. Parents and staff are viewed as partners in guiding the child's development. Parents are kept informed of problems as they arise and may be asked to follow through at home in special situations. If the staff determines that a child cannot benefit from the program or that a child presents a danger to other children, parents will be requested to withdraw their child from the program. Violence, threats, and bullying will not be tolerated and may result in disciplinary action or suspension from the program with no money refunded to the parent.

The Kids Klub Program is based upon developmentally appropriate practices. In the event that positive disciplinary measures are ineffective in modifying appropriate behavior(s), suspension may result. *The Kids Klub Program reserves the right to suspend/withdraw any child whose actions interfere with the quality of the program or are harmful to the emotional or physical*

well-being of the children in the program. If a child is involved in a physical altercation, it may result in suspension from the program.

The Kids Klub program does not provide a one on one service. All children must be able to function in a group setting.

Discipline Guidelines

To preserve the quality of the program each school site will work with the children to create developmentally appropriate rules.

Learning to follow rules is a process that occurs naturally through logical consequence when the rules are not followed. When a child breaks a rule the following procedures will be followed:

1. Staff will approach the child in a positive manner.
2. The child will be reminded of the rule and redirected. The child may be told to fill out a "Think" sheet.
3. If child fails to comply, he/she may be removed from the activity and placed in "Think Time." After three minutes staff will interact with the child and encourage the child to rejoin the activity, when the child agrees to comply with the rules.
4. If the child does not comply or there are repeated instances where rules are not followed, parents and/or guardians will be contacted verbally and/or in writing. Repeated or severe instances will require that the parent meet with the site manager regarding the child's behavior.

The following behaviors put all children at risk and will not be tolerated. These behaviors may be deemed a reason for suspension or termination from the Kids Klub program.

1. Causing harm to themselves or others.
2. Intentionally misusing, destroying or removing materials, equipment, or property from the program or other participants.
3. Refusing to follow the request of a staff member regarding an issue of health or safety.
4. Requiring intensive monitoring.
5. Leaving the program area.

Kids Klub is part of the Laveen Elementary School District and will comply with all rules and regulation as stated in the Governing Board Policy Manual.

Emergency Procedures

In case of an emergency evacuation such as fire, bomb threat, gas leak, or other type of emergency, children will be escorted to the nearest safe area and parents will be contacted by phone as soon as possible to pick up their child. In case of a confinement to the facility, parents or emergency contacts will be called and informed of procedures as soon as possible.

Child Illness

All children become ill from time to time. It is important for parents to understand that one child's health affects the health of the other children in the extended day program. If a child becomes sick during the program, the staff will contact the parent, or other authorized party, to

pick the child up from the program. It is expected that the child will be picked up immediately. The child will be supervised in an isolated area until a parent arrives.

Consistently bringing a sick child to the Kids Klub Program or not picking the child up immediately when called may result in termination of child care services.

If your child is diagnosed with a communicable disease, please notify the Kids Klub site manager at your child's school. If you are not sure what to do, call the Kids Klub Supervisor for suggestions. Each program site maintains a communicable disease log and has access to information on how to manage an outbreak of a communicable disease.

Medication

According to the Arizona Department of Health Services, children CANNOT administer or store their own medication. Please make arrangements to give your child any medications he/she may need before coming to the program. In order for prescription medication to be given while in the program, a signed medication form is required. All prescription medication must be brought to the site by the parent/guardian, in the original container, and given to the staff at the site for storage. **OVER THE COUNTER MEDICATIONS ARE NOT ACCEPTED** unless accompanied by a doctor's prescription with dosage and times to be administered clearly stated.

Accidents

In case of an injury/accident the following emergency procedures will be followed:

1. Staff will assess the child and the injury and necessary first aid will be administered.
2. Parent will be notified of the injury/accident.
3. If it is a serious accident or there is doubt to severity, 911 will be called immediately.
4. An accident report will be filled out with explicit and detailed information pertaining to the accident and the procedures taken.
5. If a child must be taken to a hospital or medical facility, a Laveen Elementary School District staff member will accompany the child if the parent cannot make it to the site. (Parent will be notified where the child will be taken.)

Each Kids Klub site is equipped with the required first aid supplies.

Insurance

The Laveen Elementary School District carries liability insurance including coverage for any vehicle used for transporting participants during field trips. LESD #59 busses are used for all field trips. Documentation of liability insurance coverage is available for review by appointment.

IMPORTANT: It is the responsibility of every parent/legal guardian to provide their own accident and health coverage for their child while participating in the Kids Klub Program. The Laveen Elementary School District does not provide medical or accident insurance for children in the Kids Klub Program.

Snacks and Meals

A nutritious snack is served to all children. Children with allergy to foods may be asked to supply their own snack. Breakfast, lunch, and dinner will not be provided. However, time will

be allocated at each site for children to have breakfast, lunch, and dinner if parents send a meal. Parents are required to send a non-perishable sack lunch with their child during Camp Days and on a full day for preschool. All meals sent with children must meet nutritional standards and will be monitored by site staff. According to DHS standards, meals must consist of the following:

Food Component	Ages 3 – 5	Ages 6 and Older
Milk–Fluid	¾ Cup	1 Cup
Vegetable, Fruit or Full Strength Juice	½ Cup	¾ Cup
Bread and Bread Alternatives	½ Slice	1 Slice
Meat or Meat Alternative	1 ½ Ounces	2 Ounces

Parents will be notified or advised of any meals that do not meet the DHS nutritional standards. A nutritious breakfast is recommended prior to attending a morning program.

Dress Code for the School Year

The Laveen Elementary School District student dress code must be followed while participating in Kids Klub. Please be sure that all belongings are labeled with your child’s name. For safety reasons, students are encouraged to wear covered shoes. This will allow your child to participate in daily activities.

Dress Code for Day Camps

Children are required to wear shirts that cover the shoulders. Shirts may not have any writing, logos, or insignias that are not school appropriate. All shorts or pants must be worn at the waist. They must not be any shorter than three inches above the knees. Students must wear shoes at all times. All footwear must have support around the heel or ankle (there must be a strap around the ankle) and all footwear must cover toes. Please be sure that all belongings are labeled with your child’s name.

Toys/Items from Home

Children are restricted from bringing personal items from home, such as, but not limited to: cell phones, electronic games, trading cards, personal toys, collectables, etc. The Laveen Elementary School District is not responsible for lost, broken, or stolen items.

Transportation & Field Trips

Transportation to and from the Kids Klub Program is the responsibility of parents/guardians. District-owned or approved transportation is used when the children go on field trips. Written permission from the parent/guardian is required in order for your child to participate in field trips organized by the Kids Klub Program. Written permission must be received by scheduled field trip time. Any child whom misbehave may be told they cannot attend that days’ field trip. On scheduled field trips, all staff and children may be off the school grounds. If you do not wish for your child to participate in the trip, please arrange alternate child care for that day. If you arrive at the site after the stated departure time, you will be expected to provide alternative care for your child. The staff will account for all children every hour according to the field trip roster. This will double checked by a lead manager at the start and end of each field trip. The busses will carry records for the individual vehicle including registration and insurance, a first aid kit,

and water sufficient for the needs of each child. Drivers of vehicles used for transportation of the child care program children must have all requirements to obtain or maintain a School Bus Driver Certificate in the State of Arizona and be 21 years of age.

Pesticides

Notice of pesticide application will be placed in the doorways at least 48 hours prior to the application. Written notification will be provided upon prior request.

Question, Comments, Concerns

Since most concerns are most easily resolved at the manager's level, we ask that you speak to the Site Manager at your child's program if you have any questions or concerns.

If your concerns are not resolved to your satisfaction, please call Kim Teer, Kids Klub District Supervisor, at (602) 304-2020 ext. 3619 or 602-237-7058.

For continued unresolved issues, please call: Tracy Watkins, Director of Curriculum & Instruction at 602-237-9100 ext 3050

Other Information

The Arizona Smokers' Helpline offers free telephone and Web-based services to help people quit tobacco.

Whether you are thinking about quitting, you're ready to quit, or just working to stay quit, we can help. The Arizona Smokers' Helpline (ASHLine) provides free services in both English and Spanish. Our quit coaches are real people located right here in Arizona. Most of them are former tobacco users so they've "been there" and understand how hard it is to quit and stay quit. In addition to our free telephone-based coaching services, you can also use WebQuit. Create an account, work through activities, set goals, and monitor your progress from your own computer. WebQuit is available whenever you need support – 24 hours a day, 7 days a week.

Arizona Department of Health Services Breastfeed Hotline (available 24/7): 1-800-833-4642.

As a child care provider, an important thing we can do for babies is support their parents' decisions about infant feeding, especially the mother's breastfeeding (nursing) efforts. Breast milk is the ideal food for infants to both nourish them and protect them from obesity and illness, including ear infections, upper and lower respiratory infections, diarrhea and others. Exclusive breastfeeding is ideal nutrition and enough to support optimal growth and development for the first six months of life. With so many infants in child care, providers of child care can play a vital role in supporting a mother's continuation of breastfeeding.

Sun Safety

Too much sun exposure can be dangerous. Overexposure to the sun is the leading cause of skin cancer, premature aging and cataracts. Damage occurs any time skin becomes sunburned or tanned. Arizona has the highest skin cancer rates in the U.S. and the majority of a person's lifetime sun exposure occurs before age 18. Children can easily be sunburned during outdoor play. Children are especially susceptible to harmful ultraviolet radiation and childhood exposure is a primary indicator for developing skin cancer later in life.

Physical Activity and Screen Time

Physical activity and movement are an important part of development, learning and growth of young children. During the first six years of life, infants, toddlers and preschoolers will develop gross motor skills (like kicking and throwing) and learn healthy habits by participating in physical activity. Physical activity should take place both indoors and outdoors, according to sun safety recommendations. Decreasing sedentary time, including screen time, is important because it is associated with increased risk for obesity.

Fruit Juices

Whole fruits and vegetables are preferred to juice because they provide nutrients and fiber that may be lost in the processing of juice. Even 100% pure juice offers no nutritional advantage over whole fruits or vegetables. Drinking too much juice may be linked to children being overweight and childhood obesity and can result in decreased appetite for other nutritious foods, leading to poor nutrition. In addition, excessive juice consumption is associated with tooth decay.

Oral Health

Tooth decay is an infectious disease and a serious problem among young children, especially in Arizona. One in every three children in Arizona has had tooth decay by his or her third birthday. Tooth decay, if left untreated, can cause health problems and can affect learning, speech and eating. Children are often unable to verbalize their dental pain. Teachers may notice a child who is having difficulty attending to tasks or who is demonstrating the effects of pain through anxiety, fatigue, irritability and withdrawal from normal activities.
